## FCC NOTICE

**REQUIREMENTS:** Hearing Loss, High Speed Internet, Dial-tone

No-Cost Phone with valid third-party certification is subject to change without notice. Terms and conditions may apply.

**FEDERAL LAW PROHIBITS ANYONE BUT REGISTERED USERS WITH HEARING LOSS FROM USING INTERNET PROTOCOL (IP) CAPTIONED TELEPHONES WITH THE CAPTIONS TURNED ON.**

IP Captioned Telephone Service may use a live operator. The operator generates captions of what the other party to the call says. These captions are then sent to your phone. There is a cost for each minute of captions generated, paid from a federally administered fund. No cost is passed on to the CapTel user for using the service.
