**“The Wicked Good iPhone Introduction modules are very well done. For someone like myself who doesn't understand anything about the iPhone, stopping and re-listening to the directions is good. They are very clear and well done. Repeating the video will make it sink in!”**

**Ms. Evangeline Sparks, Small Business Owner, S Harpswell, ME**

# #9-Cooking with BoomerTECH Adventures

**Cooking With BoomerTECH Adventures** — In this course, BoomerTECH Adventures guides Chris, Jill, and Ed share their love of cooking and enjoyment for lots of different types of foods. You will learn how to prepare several tasty stir fries using traditional Chinese flavorings, make fresh pasta, turn leftover sweet potato into gnocchi, stir up a great fried rice, and give ramen soup a delicious upgrade. In addition, discover an easy way to make your own pita pockets, flat breads, and tortillas. Plus, you will see a way to combine the benefits of cooking on cast iron with your love of grilling. We haven't forgotten dessert! Who can resist a delectable chocolate brownie torte or apple pie?
