

# IN-HOME SUPPORT SERVICES

## Supplemental Benefit

To help members maintain their health and independence, WellCare is partnering with HealthAlign to offer in-home support services as a supplemental benefit. The goal of this benefit is to help compensate for physical impairments, diminish the impact of injuries or health conditions, and/or reduce avoidable ER utilization.

### In-home visit options include:

The “Chores Only” benefit offers two-hour visits for assistance with chores and meal preparation

The Personal Care Services and Chores benefit offers four-hour visits for assistance with dressing, bathing, feeding, and other activities of daily living, along with chores and meal preparation
